Performance Features

Permanent Solution – *Aquaphalt*[™] is stronger than typical hot mix asphalt pavements and unlike other conventional cold patch asphalt products which never deliver a truly permanent repair.

Cost Effective – *Aquaphalt*[™] saves time and money by eliminating costly repeat repairs.

Environmentally Sustainable – *Aquaphalt*[™] contains no toxic solvents or VOC's, making it friendlier to the environment.

More about *Aquaphalt*[™]

Used successfully in Europe for years, *Aquaphalt*[™] is the first pre-mixed, permanent repair material that is enduring, high-performing and 100% environmentally friendly.
